Dear Purple Class,

How are you? I hope you are all well. It has been fantastic to see all of the work you have been sending in. To make it easier, and so it comes straight to me, from now on can you please send copies of your home learning to; purple@kingsway.herts.sch.uk. E-mail accounts are monitored and responded to between school hours only.

I know it is sometimes tricky to work at home, but I am really impressed with what you are doing. Later today, I will send another well done video and look out for more exciting learning next week

Next week, we will continue with daily activities and there will be videos every day. Each week, we will use BBC Bitesize to learn something new and we will produce five pieces of work on that project. You can always do more if you like! Next week, our project work is on 'Famous people.'

As well as sending our lessons out on Marvellous Me, we plan to put any resources that you may need for lessons on the school website, under **home learning and Year 1**. Look for this week's date and the work will be put under the relevant day's folder. There may be worksheets to print out, or resources to look at and reference. If you do not have access to a printer, please let the office know and we can arrange for the work to be printed for you. Please call the office to arrange collection. I have also attached, a copy of our visual timetable which gives some guidance as to how long each session generally lasts. Your sessions make take more or less time.

Please send me you're a photo of your work, via email to purple@kingsway.herts.sch.uk

I love to see all the wonderful learning you are doing at home! If you or your grown-ups have any questions about your home learning, please email me.

I was lucky enough to talk to some of you when I called your grown-ups this week, I will call you again next week to see how you are getting on. Meanwhile, take care, listen to your grown-up and try your best with your learning. I'm looking forward to seeing your work and hope to see you all soon.

Love From,

Miss Cooke

These are the home learning activities for the week commencing Monday 18th January

Daily Home Learning Plan KS1

In a normal day, our class daily structure would look similar that listed below. We will give you guidance of what to do within each session but this may help give you some structure to your day. I have included a guide to how long the sessions would approximately last.

Welcome, discuss the day's activities and Word of the Day!		We will let you know what our word of the day is. It will link to our learning and we encourage children to use the word throughout the day.
Phonics activity 20 minutes		Look out for the daily phonics activity.
Walk a Mile 20 minutes		Go for a quick paced walk for 20 minutes. It helps to pump blood to the brain!
Maths 30 – 40 minutes		Look out for the daily maths activity.
Reading 15 minutes		Listen to your child read. Can they answer questions about their book? Did they enjoy the book? Why/why not?
Playtime and snack		
English 30 – 40 minutes		Look out for the daily English activity.
Wake and Shake movement activity		Put on some music and dance!
Lunchtime and playtime		Can you make lunch together?
Relaxation session		Listen to some calming music or focus on your breathing for 5 minutes. Check on your starfish.
Wider Curriculum activity 30 - 40 minutes		Look out for the daily activity. It could be science, art, RE, geography, history, PE, PSHE, Music or Computing.
Story Time 15 minutes		Pick a story and read to your child.

Assembly – Thank you

Say Thank you for something
that you have had today.
